Dear Mr. Portman:

There is enclosed a Report entitled "Report for the President on the Use and Results of Alternative Dispute Resolution in the Executive Branch of the Federal Government" and a letter dated April 27, 2007, from the Attorney General transmitting the Report to the President.

This Report is submitted pursuant to the President's Memorandum for Heads of Executive Departments and Agencies dated May 1, 1998. In that Memorandum, the President requests that he be advised periodically on the work of the Interagency Alternative Dispute Resolution Working Group to facilitate and encourage the use of alternative means of dispute resolution by federal agencies. The President's Memorandum asks that reports be submitted through the Office of Management and Budget. This letter will serve to request that the Office of Management and Budget forward the Report to the President.

If any additional information is needed, could you please have your staff contact us.

Thank you very much.

Sincerely,

A handwritten signature in cursive script that reads "Linda A. Cinciotta".
